**To Whom It May Concern,**

It is with great enthusiasm that I write this letter of recommendation for Mr. Jiarui Wang, a recent graduate of the Foundation Studies program at UNSW College. Over the past several months, I have had the privilege of witnessing Jiarui's exceptional contributions as a volunteer, Peer Mentor, and now as a Peer Mentor Leader in UNSW College.

I first met Jiarui in May 2024 during a graduation ceremony at UNSW College, where he served as an Events Intern. In this capacity, Jiarui led a team of volunteers to meticulously prepare the venue and warmly welcome graduates. His dedication, infectious enthusiasm, and professional demeanour left a lasting impression on me and everyone in attendance.

In July 2024, Jiarui joined the newly launched UNSW College Peer Mentoring Program after successfully navigating a rigorous selection and training process. From the moment he stepped into his role as a Peer Mentor, he demonstrated exceptional initiative and a genuine commitment to supporting his mentees. His mentees consistently praised him for his approachable nature, tireless support, and insightful guidance.

Recognizing his outstanding performance, I promoted Jiarui to the role of Senior Mentor in October 2024. He embraced this leadership role with the same energy and dedication he had displayed from the beginning. In November, I was proud to present him with the *Outstanding Peer Mentor of the Year 2024 Award* to honour his extraordinary contributions. Most recently, I offered Jiarui the position of Peer Mentor Leader, a casual role in which he will assist me in overseeing the Peer Mentoring Program, including managing Peer Mentors/Senior Mentors.

Jiarui's exemplary work ethic, natural leadership skills, and ability to inspire others make him an invaluable member of the UNSW College community. I have no doubt that these same qualities will enable him to contribute meaningfully to the broader UNSW community and beyond. His consistent pursuit of excellence and passion for supporting others reflect the qualities of an outstanding scholarship recipient.

Please do not hesitate to contact me should you require further information. I am confident that Jiarui Wang will bring the same level of excellence and dedication to all future endeavours.

Yours sincerely,
